

Fondazione Oronzio e Niccolò De Nora
2001 Prizes

④ **International Society of Electrochemistry (ISE):**

- *M.A. Malik* (Dpt. of Metallurgy and Materials Engineering, Division of Chemistry, Technical University of Czestochowa, Poland): Young Author Prize
- *I. Horita* (NIMC/AIST Tsokuba, Japan): Prize on Electrochemical Energy Conversion

④ **Società Chimica Italiana:**

- *Tiziano Bellezze* (University of Bologna, Italy): Prize for the research "Characterization of structure and corrosion resistance of zinc - base coatings subjected to various chemical conversion treatments"

④ **ERA 2001 Conference - Electrochemistry for the rehabilitation of the environment:**

- Sponsorship

④ **Moscow Mendeleev University (Russia):**

- 2 Grants for students
